

ISC710

ISC

Security Seals

The **ISC710** is a pull-tight security seal mainly used in Airlines, Cash in transit and Transport industries fits to applications as Duty-free trolleys, Boxes & Cases and Taxi Meters. Due to its thin ribbon it fits to eyelets greater than 2.0 mm. Highly tamper evident security seal. Numbered or Bar-coded enables very fast recording of seal numbers and optimizes logistic processes. Various ribbon lengths available. The version with PA is also with tear-off facility available.

APPLICATIONS

- Trolleys
- Boxes
- Cases

FEATURES

- Type of Seal Adjustable Length Seals
- Ribbon diameter 2.0 mm fits small eyelets
- Locking mechanism of stainless spring steel increases tamper-resistance
- Version made of PP is easy to remove by hand
- Flat construction fits into small areas
- Mats of 10 seals allows sequential distribution

BENEFITS

- Customer name/logo for clear identification
- Various colours for logistical functions

SPECIFICATIES

Material

Ribbon/housing: polyamide (PA)

Disc: polyamide (PA)

Locking mechanism: stainless spring steel

Pull-apart strength

Ca 18 kg

Numbering

7 digits

Barcoding

Interleaved 2/5 or barcode 128

Customer name/logo

Foil printed or digital printing

Colours

Dark blue

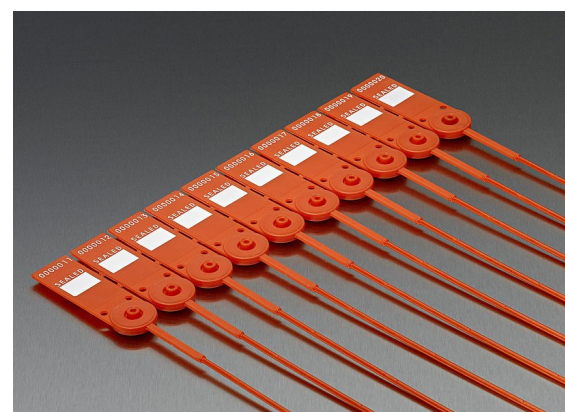

Other colours in request from 10.000 pieces

Packaging

Mats of 10 pieces, box of 1000 seals
