

Maxi JawLock

ISC

Maxi JawLock has been designed to meet the needs of industries with applications that require plastic seals with high strength and a long strap length.

Security Seals

APPLICATIONS

- Postal & Mail order bags
- Tanker valves
- Large bags for retail, pharmaceutical & food industries

FEATURES

- Smooth strap and side tear off option
- High tensile strength
- Available in strap lengths from 250mm to 500mm
- Metal locking mechanism

BENEFITS

- User friendly and easy removal – requires no tool
- High tensile strength makes it ideal for more robust applications
- Various strap lengths to suit a wider range of applications
- Enhanced security as metal is more tamper-resistant
